Dear Fellow Club Members:

I am sorry for the delay in getting off the request for dues but it has been one contest after another this year. The dues for the year is \$6.00. If you like, you may return your dues in the self-addressed stamp envelope enclosed. Deadline on the dues is May 1st.

Also, it is now voting time for three new members. They have returned their applications and the required 30 day waiting period has elapsed. The new members to be voted on are Clint Kerrison, WB5CKM; Ed Jones, WA5YEL; and Jan Carman, WS5BX. Clint and Ed were along on last years field day and many of you met Jan at out club dinner that we had in January. Please fill out the membership ballot and place in the small envelope and seal it. You are assured of complete secrecy in your voting. Please have votes returned to me by April 22nd.

Mark down Sunday, April 30th on your calendar. That is the day that we have a club get together at the field day site. As you may have heard, the site this year is the same as it was last year. If anyone is unsure how to get there, get in touch with me and I'll get the information off to you. We hope to accomplish three things at the meeting: a club meeting to discuss business, a on-site discussion of Field Day antennas, and a cookout which will probably have everyone striving to outdo one another. The doings officially start at 10:00 a.m. and it will last until everyone leaves! I hope everyone can make it to the get together. It should be a lot of fun. See you there!
