Dear TDXS Member:

As newly appointed TDXS Contest Chairman, I would like to take this opportunity to urge you to participate to the fullest extent possible in the major upcoming contests, notably the CQ World Wide DX Contest and the ARRL Sweepstakes Competition. Both of these annual activities feature club aggregate scores, and I think it is about time that our group produce a score far in excess of our natural rival, the Richardson Wireless Klub. However, in order to successfully accomplish this goal, we must have your participation, no matter how little time you have available.

Accordingly, I am enclosing copies of the rules for both above mentioned activities, log sheets and a SASE for return of your completed logs to the club secretary so that he may forward all logs simultaneously to the sponsoring organization and also provide the necessary secretary's letter listing the club participants and combined score.

The club secretary and I have taken the liberty of establishing the following contact goals for you in each section of these contests. These are simply totals for you to work towards; you may far exceed these QSO totals, or you may not even approach them depending on your time available and personal circumstances. Those meeting or exceeding their goals will be formally recognized at the winter club banquet; those participating to any extent will be deeply thanked.

K5SOR - DAVE

<u>CONTEST</u>	<u>MODE</u>	<u>QSO GOAL</u>
CQ WW DX	PHONE	200
CQ WW DX	CW	200
ARRL SS	PHONE	400
ARRL SS	CW	300

I again urge you to participate to the maximum extent possible. Please check your logs for duplicate contacts. Also, make up a summary sheet as shown in the rules. Do not copy your logs, but make the original neat enough to be read by the sponsor. The club secretary will make Xerox copies of your logs and return the copy to you for your records. Please observe log due dates and mail yours to the club secretary well in advance.

23 October, 1973

With your help, I am sure that we can make the Texas DX Society the number one club in the fifth call area. Thank you.

73,

Jan Carman
