April 6, 1974

Dear Club Members

I want to remind everyone of the meeting this coming Friday night (April 12th). The meeting time is now set for 8PM and will probably last until around 11PM. The location is a new one for us. It will be held at the Bonanza Sirloin Pit on I45 (Gulf Freeway) just south of the Gulfgate shopping center. The actual address of the place is 8307 Gulf Freeway and in case anyone gets lost their telephone number is 645-6497. It will be on the east side of the freeway.

One main subject of conversation will be Field Day. If you have any ideas on the subject, be sure and bring them forth.

Congratulations are in order for our three new members. They are Don, WA5WOF; Kim, WA5WCT; and Sharp, W5NMA. Welcome to the club, fellows!

If anyone would like further directions for the meeting spot, you can give me a call at 331-4864 (Houston number). On meeting night we should have a couple of stations on 146.940 ~~MC~~ and maybe 146.550 ~~MC~~. See everyone at the meeting. _{mc}
