

Texas DX Society
1821 Meadowview
Alvin, Texas 77511

Dear Club Members,

The next club meeting is now scheduled for October 4th. The site is the same, however we will be starting early because of a large program. The meeting will start at 7:30 so try to be in the parking lot by around 7:00pm. We have been promised the meeting room early this time. The special program will consist of Rusty, W6OAT, showing slides and movies of the Kingman Reef operation by KP6KR. As you know, Kingman Reef is the newest addition to the DXCC rolls. Try to attend. You will enjoy it!

The 30 day waiting period has elapsed and it is time to vote on the membership of Chuck, K5LZO. As you may remember, Chuck attended Field Day with us and did a fine job. Mark your membership ballot and return it to me before October 12th.

October is also the month that Presidential nominations are in order. Enclosed is a form for that purpose but it is not mandatory that you return it.

If there are any questions on the above, give me a ring at 713-331-4864 or watch for me on 3780 MHZ at 9:00pm nightly.

73,

Richard L. King
Secretary
Texas DX Society
