September 24, 1975

Dear Fellow Club Members:

We have three new member-elects to vote on. They are Glen Ward (WB5IGX), Dave McCarty (WB5OQW) and Dennis Motschenbacker (WB8FUO/5). You will find the ballots enclosed. Mark your vote and return it to me by October 9th. Ballots received after that date will not be counted.

Our next club meeting will be Friday, October 10th. Once again we will be meeting at the Howard Johnson's Restaurant on I45 (Gulf Freeway) near the Wayside exit. This is the same spot all our meetings have been held at lately. The gathering begins again at 7:30 pm. Mobiles should watch 96/36 and 34/94 for talk in frequencies.

Enclosed is some information on the Tideland's Amateur Radio Club's upcoming hamfest on October 5th. It looks like a fun gathering and some of you might be interested.

Contest season is almost upon us. It's time to start checking our your station and antennas. A good club effort this winter in the contests may allow us to finally whip the Richardson Wireless Klub. We have a lot better chance to beat them than you might think. However, it will take a dedicated, unselfish club effort to do it.

The month of October is Officer nomination month. Any nomination received between October 1 and October 31 will be accepted. However the nominations must be in writing and signed by a full member. I will try to have some forms available for this purpose at the meeting. It is not necessary though to use an official form to make your nomination.

That's about it for now. Don't forget to get those ballots right back in the mail so they will be counted. See you at the meeting.

73,

Richard L. King, K5PFL
Secretary, Texas DX Society
