Hello fellow TDXSers!

Looks like no meeting or lunch this month, but enjoy Thanksgiving with your family! See you somewhere in December!

Editor's Note by Allen Brier N5XZ

OK, yeah I get it. I'm late again. When will I ever learn? I need to start on the BS earlier in the month… well I promise after I stop working I'll have more time to devote to it and maybe, just maybe get them out earlier in the month.

Every month conditions continue to improve. We are well past the Summer Doldrums and you don't have to listen to me complain so much about the lousy prop. That's a great thing! Contest activity is way up, and TDXS members are doing a great job at it. See Jim's article later in the BS.

In November, the following rare and semi-rare DX stations were worked at the mini-superstation here at N5XZ: 5R8, EP, 9L, 7X, 9U, VR2, C5, XU, ZL7, 5V, 7Q, VP2M, HZ, 7X, 3B8, S01, 7P, 5Z and 3B9. Not too shabby, I think

Speaking of DX, Roby AJ4F just worked and confirmed Zone 22 (#197) for 5BWAZ. He still needs 17, 23 & 34. I still need four for 5BWAZ (18, 22, 23 & 34). We'll what happens this winter!

73/161, Allen N5XZ

And…don't forget. All TDXS members are invited to our EX-ZED SPRED lunches, now every other Friday and at different restaurant every time. We'll be meeting mostly in the Richmond / Katy / Sugarland areas. Announcements will be made on the TDXS reflector the week of the lunch (and sometimes in the BS!). Hope to see you there!! **(And please R.S.V.P!)**
